

Avon Cervical Screening Programme

AVON LOCAL MEDICAL COMMITTEE &
SOUTH WEST REGIONAL CYTOLOGY TRAINING CENTRE

Cervical Sample Taker Training - 2 Days Training

This 2 - day foundation course is suitable for registered nurses or doctors who require training in cervical sample taking. Course content is in line with National Guidance. It is delivered by experienced Primary Care, Cytology and Colposcopy staff who work within the NHSCSP, thus ensuring all information presented is relevant and up to date.

Included in the course fee is a visit to the Bristol Cytology Laboratory, 2 external assessments and monitoring of your sample quality, with on-going feedback and support provided throughout the training period. If you would like to request a place on this course, please contact:

ALMC on 0117 970 2755 or Email: practicestafftraining@almc.co.uk

IT IS IMPORTANT THAT BEFORE APPLYING FOR A PLACE ON THIS COURSE, YOU HAVE THE SUPPORT OF YOUR EMPLOYER.

Places are limited (12), and they are allocated on a first-come-first-served basis, across all practices within BNSSG. All applicants will be notified approximately 1 month prior to the course commencing, as to whether or not they have been successful. For GP employed nurses, the course fee (£300 per person) is funded by Avon Local Medical Committee.
